## **PRO BONO OPPORTUNITIES**

### Debt Clinic

No December dates

### Family Law Clinic

No December dates

### Pro Se Divorce Clinic

12/12 (part 2) and 12/19 (part 3)

Description: An experienced matrimonial attorney instructs 30 to 40 people on completing the paperwork for a default divorce. Volunteers circulate to assist clients, some with limited literacy and English language skills. No family law experience necessary. This is a three-part clinic. Although volunteers are not asked to attend all three sessions, doing so will provide volunteers with an excellent overview of matrimonial law.

Volunteers interested in any of the clinics are welcome to Linda Kostin at [lkostin@wnylc.com](mailto:lkostin@wnylc.com) or 585-295-5703.  
Thanks!
