## PAR Holiday Luncheon

The Paralegal Association of Rochester on Dec. 2 held a holiday luncheon at the First Federal Conference Center.

Attendees dined on pizza, chicken wings and other assorted party fare, and were asked to bring donations of nonperishable food items, bottled water, toys, games or books for young children.

About 30 people attended, an their donations filled seven boxes and two shopping bags. Items were delivered to

the Greece Post on Dorsey Road and will be distributed to Rochester area families with spouses in the military.

PAR members also decided on a date for the 2010 Casino Night — March 27. The annual event is open to the local legal community and families as well as those vendors who provide services to the legal community, so save the date.
