IKON/PAR Happy Hour

IKON Office Solutions Inc. and the Paralegal Association of Rochester hosted a happy hour at Pazzo Cucina's on Jan. 21.

The event was planned for Rochester area paralegals who are not currently PAR members so that they might learn about the association. IKON representatives also meet the paralegals to discuss the services they provide.

Under the direction of IKON Account Manager Michael Petix, beverages and delicious appetizers were served to about 20 paralegals, including some current PAR members who also took part. Everyone entered a special drawing for Amerk's tickets, which were won by Stefani Medina of Hiscock & Barclay LLP.
