

[D4, LLC](#) is a national leader in litigation support and eDiscovery services to law firms and corporate law departments. Founded in 1997 and through its combination and rebranding with Doculegal, D4 has grown to a national presence. D4 brings its unique and cost effective approach to all of its engagements. Their team fully covers the EDRM spectrum from [scanning](#), ESI planning, data collection, [forensic examination & expert testimony](#), 26(f) and 30(b)6 preparation and consulting, early data assessment, ESI processing, hosted review, all the way through document production.

D4 was one of the first companies to offer an eDiscovery Managed Service solution, [eNtrust™](#), for corporations and law firms. D4 combines advanced technology with an experienced staff to help customers extract clarity and significance from what otherwise could have been a deluge of irrelevant data and excessive costs.

With over 100 employees, D4 has offices in Buffalo, Rochester, Tampa, Lincoln, Omaha, New York City, Grand Rapids, San Jose, San Diego, San Francisco, Denver, Washington DC and Providence, RI. Their headquarters recently moved into a newly renovated building in the heart of downtown, Rochester, NY, equipped with a state-of-the-art Data Center.

This highly-secure Data Center is complemented by full service offices across the country, including one in Buffalo, NY. The offices are equipped to handle jobs that require heavy Paper Scanning and Review. Since they are local, average time and costs of operations and production are significantly decreased.

In 2010, D4 was recognized in the “Top Five” of the “Rochester Top 100”, honoring the fastest growing companies in Western New York. D4 also made the 2011 Inc.5000 list honoring the fastest growing privately held companies in America.

[D4 services](#) include:
